

THE KENNEL UNION OF SOUTHERN AFRICA (“KUSA”)

SCHEDULE 1 – DISCIPLINARY RULES

The Federal Council (“FEDCO”) of KUSA has under the provisions of Article 6 read with Articles 3.6, 3.17, 3.18 and 3.20 of the KUSA Constitution made the Disciplinary Rules as contained in this Schedule

SCHEDULE 1

1. GENERAL PROVISIONS

- 1.1 These Rules must, where applicable, be read in conjunction with the Articles of, and Schedules to, the Constitution of the Kennel Union of Southern Africa (“the KUSA Constitution”).
- 1.2 In terms of Articles 18.2 and 18.2.1 of the KUSA Constitution the Executive Committee of KUSA (“EXCO”) hereby establishes a standing Disciplinary Sub-Committee (“DSC”) for the purpose of dealing with any complaint lodged in terms of these Rules.
- 1.3 Pursuant to Article 18.3, EXCO may delegate powers to a Provincial Council Disciplinary Sub-Committee (“PCDSC”) to deal with a specific complaint lodged in terms of these Rules in its area of jurisdiction.
- 1.4 In terms of Articles 18.1.1 and 18.3 of the KUSA Constitution, EXCO establishes a KUSA Sub-Committee of Inquiry (“SCI”) consisting of two (2) persons referred to in Rule 1.5 for the purpose of evaluating and conducting the preliminary assessment of a complaint as well as any Notice of Appeal.
- 1.5 The two (2) members of the SCI referred to in Rule 1.4 must be the Secretary of KUSA or his or her duly appointed deputy, and a Legal Adviser appointed by the Federal Council of KUSA (“FEDCO”) or, in the event of no such Legal Adviser having been appointed, an appointed member of EXCO who holds a degree in law or who has sufficient knowledge of the law and the KUSA Constitution, as Chairman. If the Complainant is the Secretary, he or she must be replaced by the Chairman of EXCO.
- 1.6 While serving on the SCI, a member of EXCO may not serve on any Committee or Sub-Committee referred to in Rules 1.2, 1.3 or Rule 12.6.
- 1.7 These Rules shall apply to all parties referred to in Rule 2 and to the DSC, PCDSC, SCI and FEDCO Appeals Committee (“FAC”) and any Article 19 Review or Investigatory Committee conferred with disciplinary powers by FEDCO.

Unauthorised access or distribution thereof to any party other than

the Complainant, Respondent and KUSA officials for the purpose of these Rules may render a person liable to disciplinary action under these Rules. Permission to obtain access to information obtained under this Rule may only be given by FEDCO on application.

- 1.10 No lawyer, legal representative or legal adviser or witness on behalf of a Complainant or a Respondent is permitted to attend proceedings of any DSC, FAC, PCDSC and any Review or Investigatory Committee conferred with disciplinary powers by FEDCO.
- 1.11 Participation of any legal practitioner on behalf of the Complainant or the Respondent is permitted for the purpose of assisting in the preparation and drafting of documents, explanations, affidavits, heads of argument and statements that are to be presented by such party, as well as for the provision of legal advice and guidance.
- 1.12 For the purpose of the evaluation of evidence, sworn evidence or affidavits carry more weight than unsworn evidence or statements. A solemn affirmation in front of a Commissioner of Oaths carries the same weight as an affidavit.
- 1.13 Unless otherwise provided for in these Rules, a clerical or accidental error or omission or other failure to comply with these Rules or any other related Article, Schedule or Regulation by the KUSA, the Secretary, the SCI or the DSC may not –
 - 1.13.1 invalidate any process, proceedings or steps taken during such proceedings or thereafter, or
 - 1.13.2 affect a document, decision or action at or during the proceedings.
- 1.14 A notification, decision or document that is served on a member, person, Club or Provincial Council ("PC") in terms of these Rules, must either be sent by registered post to the member's, person's or Club's usual or last known address, or be served personally on the member or person or on the Club's or PC's appointed Secretary. If a registered postal service is used, the date of service shall, unless the contrary is proven, be deemed to be the fifth working day after the date of posting.
- 1.15 Should any party insist on receiving documents, notifications or correspondence referred to in Rule 1.14 electronically by e-mail or fax, the date of transmission thereof shall be regarded as the date of service.
- 1.16 The SCI or the DSC may extend any period determined in these Rules for doing any act, except for periods referred to in Rules 5.2 and 5.6.
- 1.17 All day calculations contained in these Rules are working days and exclude Saturdays, Sundays and public holidays.
- 1.18 Any reference to the DSC in these Rules includes a reference to the PCDSC and any Review or Investigatory Committee conferred with disciplinary powers established in terms of Article 19 of the KUSA Constitution.
- 1.19 FEDCO may delegate and confer disciplinary powers to a Review or Investigatory Committee established in terms of Article 19 to deal with a specific matter referred to in the written scope of investigation provided by the Chairman of FEDCO.
- 1.20 The standard of proof required by the DSC and FAC when determining whether a Respondent or Appellant is guilty of any misconduct arising out of a complaint lodged in terms of these Rules is proof on a balance of probabilities.
- 1.21 The Chairman of any DSC or FAC shall determine the procedure to be followed during the hearing in consideration of any complaint or appeal made in terms of these Rules and shall, when making such a determination, ensure procedural fairness.

- 1.22 The Chairman of any DSC or FAC shall, within ten (10) days of a written request lodged with the Secretary by a Respondent in any matter heard by a DSC, or on request of an Appellant who has appealed in terms of these Rules provide, in writing, reasons for any decision made by that DSC or FAC.

Such a co-opted person is not regarded as a member of the DSC, and is neither permitted to partake in any decision of the DSC on issues of fact, nor to advise on the substantive outcome of the hearing.
- 10.6 The DSC must seek to avoid formality in its proceedings and is not bound by any rule of law relating to the admissibility of evidence in proceedings before a court of law. It must conduct the hearing in such a manner as is appropriate for the clarification of issues before it and in order to reach a decision.
- 10.7 The DSC may conduct such additional enquiries and obtain such additional statements, affidavits, documents or evidence as may be appropriate, but with due regard to the Rules of Natural Justice. It must provide the affected party time to respond to such evidence within a reasonable time.
- 10.8 The DSC may adjourn the hearing to a later date in order to give effect to Rule 10.7 or for any other purpose.

- 10.17 EXCO may refer the record of proceedings back to the DSC for any penalty, order or condition not clearly or correctly recorded or any invalid penalty, order or condition, to be clearly and correctly recorded or to impose a valid penalty, order or condition.
- 10.18 Where it is not reasonably practicable for EXCO to refer the record back to the DSC as provided in Rule 10.17, it may itself impose a valid penalty, order or condition and record it, on condition that the consequence may not be less favourable to the Respondent.
