PRACTICE NOTE **OCTOBER 2018**

The Field Trial Liaison Council has received a number of communications with respect to Judges being invited to Senior judge the same stake repetitively by numerous Clubs in a single field trial season and the problems that this causes.

It has therefore been agreed that a Practice Note should be issued in this regard, requesting Judges to limit themselves from accepting more than two senior judging appointments per stake, per province, in any field trial season. Judges are also requested to inform clubs of their prior commitments if these should clash.

The FTLC Secretary will in the future keep a spreadsheet of the judges invited for each stake as submitted on Draft Schedules for approval by the various Clubs. Draft Schedules would then be sent back to Clubs with the necessary feedback if a specific judge has breached the recommendations set out above.
