## Yusri Damon - IGP 1 and 2 Helper

### Background and summary

I was born on 7 August 1999 in Cape Town, and I am currently a student at the University of Cape Town studying towards a degree in computer science. I was born into the dog world, breeding and competing in Rottweiler specialist breed shows and participating in Canine Aptitude tests. My career started with handling show dogs at the age of 13 and have been involved with it ever since. I am a member of the Cape Rottweiler Club, currently serving on the committee and the current KUSA helper at the club.

I joined GSD Matrix WC in 2018 as a learner helper where I was mentored and trained by Jean-Luc Stapelberg. During this time, I attended various seminars where I trained with international helpers, the likes of Nick Vannerom, Aleksey Sokolov and Andreas Lysandrou. I then went on to qualify as a KUSA helper in 2020 where I have been the helper at several trials to date. I am currently training my black German Shepherd dog called Pasha towards IGP 1, and I am looking forward to getting his BH towards to end of 2021 and competing with him in 2022.
