CHAIRLADY OF THE GOLDEN RETRIEVER CLUB

WELCOME

On behalf of the committee of the KZN Golden Retriever Club, it's my pleasure to extend a warm welcome to everyone attending our 19th Golden Retriever Club Championship Show 2023. Judge, our Ring Steward, Competitors and Spectators.

We are privileged to have Ms Lesley Layland as our Judge this year. Lesley has traveled from the United Kingdom and is a specialist Golden Retriever Judge, as you can see from her CV in this Catalogue. She will be assisted by our ring Steward, Harry Blokbergen

Once again a special thank you to Montego Pet Nutrition our main sponsor for their support of our club, and to those who have contributed in obtaining prizes for our show and making additional donations.

No show happens without a dedicated team to organise the event so I would like to thank my committee for their contributions in various ways.

I would finally like to thank all the exhibitors, who have travelled various distances to be with us today, without whom there would be no show.

I hope you all have an enjoyable day, travel safely and remember, however well you do in the show you are still taking the best dog home with you.

Warm Regards,
Bridget Fischen

INTRODUCING

Lesley Layland

JUDGE FOR THE SHOW

I have been fortunate to grow up in a family where dogs are a big part of home life. In 1987 my parents bought our first Golden Retriever, Penny and it was her who introduced us to this wonderful breed. Bought as a family pet sadly when she passed away at an early age it was inevitable that another Golden would enter our lives. So, in 1993 Dunsaron Anna Felicia 'Esmee' joined our family and encouraged by her breeder we attended ringcraft and took our first steps into the world of dog showing.

Two years later Chester, Sansue Masterclass joined our family and in that same year our kennel name; Applecote was granted by the Kennel Club, taken partly from the village that I live and the name of our house. In 1996 we had our first litter sired by Kerrien Churchill Of Sansue to Esmee and finally I was allowed to have my own boy to show, Applecote Washington Gem Freddy. Together we learnt the art of showing and had success at both open and championship shows qualifying for Crufts on several occasions.

In 2001 after serving my "apprenticeship" i was invited to judge my first open show and over the years have travelled many miles throughout the UK judging my beloved breed. In 2017 I was approved to award Kennel Club Challenge Certificates and to date I have judged over 700 golden retrievers including judging appointments for The Golden Retriever Club Vereeniging in The Netherlands and The Golden Retriever Club in Germany.

Throughout the 30yrs which i have been actively showing my dogs I have had success at both open and championship show level and have gained entries into the Kennel Club Stud Book with Crufts lifetime qualification and also a Junior Warrant winner. I have also bred a South African champion as well as a Russian Champion. I regularly attend shows most weekends and I am currently campaigning two sets of siblings with success.

Having previously served on several canine committees I am now the Honorary Secretary for Midland Golden Retriever Club a role which I find very rewarding, enabling me to give back to the breed and hobby which I love. I am very much interested in the working side of the breed and one day hope to partake in this activity.

I am very much looking forward to my judging appointment for
The Golden Retriever Club KZN.
