

BREED APPENDIX REGISTER POLICY
Updated 1.11.2021

BREED APPENDIX REGISTER for:

Imported Dogs - Registration Number example ZA012345A21

Definition of the dogs:

1. Only for IMPORTED dogs of recognised breeds and provisionally recognised breeds
2. Dogs with full pedigree registered in a Breed Appendix Register issued by a FCI Registry or other foreign Kennel Clubs with which there is a reciprocity arrangement
3. Dogs with an incomplete (missing generation/s) pedigree registered in an Appendix Register issued by a FCI Registry or other foreign Kennel Clubs with which there is a reciprocity arrangement
4. Dogs with complete, incomplete or no pedigree originating from a country where there is no FCI Member or other foreign Kennel Club with which there is a reciprocity arrangement

Criteria for acceptance for registration of Imported Dogs. (Single Dog Application)

1. Must have a microchip identification
2. Must be DNA profiled as per Schedule 2 Reg. 3.1.5. *"All imported dogs must be micro-chipped and have a standardised international marker DNA profile before acceptance for registration on any KUSA register"*
3. If imported from a country where there is **no** FCI Member or other foreign Kennel Club with which KUSA has a reciprocity arrangement, the dog **must be evaluated by 1 KUSA appointed Judge** to confirm the dog is true to breed type. [Breed Evaluation Form on KUSA Website - <https://kusa.co.za/index.php/kusa-members/fees-forms/misc-forms>]
4. Notation "Progeny N/ E for Breed Register" to be recorded where applicable.
5. Notation "Breed Not Recognised by FCI" and FCI Logo not to appear on Registration Certificate of **Breeds not recognised** by the FCI
6. If a breed restriction appears on the foreign Export Pedigree – Notation "**N/B Not Authorised for Breeding***." must be added to the KUSA Registration Certificate
7. Notation "N/E Breed Champ Status" must be added
8. May be issued with an Export Pedigree clearly stating for re-registration on Appendix Register only.

Litter Registration Criteria:

- Dogs registered on Breed Appendix Register Imported dogs (A) may be bred to a:
 - Primary Breed Registered dog (B),
 - Breed Appendix Local dogs (AA)Progeny will be registered on Breed Appendix Register (Local Bred) (AA).
- Dogs registered on Breed Appendix Register Imported dogs (A) may also be bred to a:
 - Non-Registry Breed Listing dog (AB).Progeny will be listed on the Non-Registry Breed Listing (AB)
- Breed Specific Registration requirements as per Schedule 2 (Appendix C) - must be met in order for the litter to be registered on Breed Appendix Register Local Bred dogs (AA).

Criteria for progression from Breed Appendix Register Imported Dogs (A) to Primary Breed Register(B).

1. Single imported dog - remains on Breed Appendix Register (A) – cannot progress
2. Progeny of any dog registered on Breed Appendix Register (A) will be registered as Breed Appendix Register (AA) dogs and follow Breed Appendix Register (AA) progression criteria, unless bred with a Non-Registry Breed Listed dog, in which case the progeny will be listed as Non-Registry Breed Listing dogs.

Locally Bred Dogs -Registration Number example ZA012345AA21

Definition of the dog

Dogs with a complete or incomplete pedigree from: -

- a. A Registry/ Breed Club not recognised by KUSA. (Complete or incomplete pedigree issued by a dissident/ non-recognised registry / Club for **which special dispensation** has been granted by Fedco for acceptance for registration (GSDFSA dogs - decision to register on Appendix Register -rescinded at Fedco 08-2020 SGM)
- b. Progeny of Breed Appendix (A) Imported & (AA) Local bred dogs bred with Primary Breed (B) registered dogs.
- c. Progeny of Breed Appendix (AA) Local bred dogs bred to another Breed Appendix (AA) Local bred dog.
- d. Dogs with Appendix/ Development Register Pedigrees issued by Clubs with which KUSA has a recognition of Pedigree agreement (E.g., NFTA, SASDA, SAFTC).
- e. Progeny of dogs registered on the discontinued KUSA Development Register (ZA01234X16). (Note: KUSA Development Register is closed)
- f. Progeny of Appendix Register (A) Imported dogs bred with another Appendix Register (A) dog
- g. Biewer Terriers (4th KUSA Generation may be registered on the Primary Breed Register - Fedco 12-2014)

Criteria for acceptance for registration on Breed Appendix – Local Bred Dogs (AA) (Single Dog Application)

1. Must have a microchip identification
2. KUSA reserves the right, in certain instances, to call for a dog to be evaluated true to Breed type by one (1) KUSA appointed Judge, who must scan and verify the microchip number of the dog evaluated.
3. Where a particular Breed has Breed Specific Registration requirements listed under Schedule 2 (Appendix C) – these requirements must apply [E.g. Biewer Terrier – DNA Parentage Verification is required. Notation "DNA Parentage Verified" to be added.]
4. Notation "Progeny N/E for Primary Breed Register", must be added
5. Notation "Breed Not Recognised by FCI" and FCI Logo not to appear on KUSA Registration Certificate for **Breeds not recognised** by the FCI. [E.g. Biewer Terrier]
6. Notation "N/E Breed Champ Status" must be added
7. Owner must be informed that a DNA profile typing certificate will be required for registration of any progeny (litters). Recommend DNA profiling be done at time of registration of the single dog. Both Dam & Sire will be required to be DNA Profiled in order to register a litter.

Litter registration criteria for Breed Appendix Register - Local Bred (AA)

- Dogs registered on Breed Appendix Register (AA) may be bred to:
 - a Primary Breed registered dog (B)
 - Breed Appendix Register (A) Imported dogProgeny remain on Breed Appendix Register (AA) until the requisite criteria has been met to progress to the Primary Breed Register. Progression is not automatic – **only upon application and approval by Exco.**
- Dogs registered on Breed Appendix Register (AA) may also be bred to:
 - Non-Registry Breed Listing dog (AB)Progeny will be listed on the Non-Registry Breed Listing (AB)
- Sire and Dam of the litter must be DNA Profiled.
- Progeny (Pups) must be microchipped.
- The following Notations / Restrictions will apply to the Pups:
"Progeny N/E for Primary Breed Register",
"N/E Breed Champ Status"
- Breed Specific Registration Requirements as per Schedule 2 (Appendix C) in respect of HD/ ED/ Age restrictions etc. must be met in respect of the 8 breeds which have such requirements.

Logo & Export Pedigree for Appendix Register – Locally Bred (AA)

1. In the case of Breeds not recognised by the FCI - the Notation "Breed Not Recognised by FCI" must be added and the FCI Logo **may not appear** on the Registration Certificate or Export Pedigree (E.g. Biewer Terrier).
2. FCI Logo may appear on Breed Appendix Register Registration Certificates where dispensation has been granted by FEDCO for recognition of Pedigrees from a specified registry. E.g. SASDA, NFTA, SAFTC and GSDFA dogs that do not qualify to be registered on the Primary Breed Register.
3. May be issued with an Export Pedigree clearly stating for re-registration on **Appendix Register** only

Criteria for progression from Breed Appendix Register (AA) to the Primary Register (B).

Progeny may only progress to the Primary Breed Register (B) upon application to the KUSA office to do so. (No automatic progression to the Primary Register). Applications for registration of progeny on the Primary Breed Register (A) will only be considered after the **fourth full complete (no missing) generation**. The complete 3 generations of ancestry (Parents; Grand Parents; Great Grand Parents) must have been registered on the following:

- KUSA Primary Breed Register and/or
- KUSA Breed Appendix Register (A) & (AA) (including those dogs from Non-registry Breed Listing (AB) that have progressed from the Non-registry Breed Listing (AB) to Appendix Register (AA) and/or
- FCI or any other foreign recognised Kennel Club – (Breed or Appendix Register)

Breed Appendix Register - Showing allowances (Imported (A) and Locally Bred (AA):

1. KUSA Shows / Events
 - a. Can be shown at Championship and Non-Championship Shows. At Championship Shows can be awarded CC to go through to Best of Breed, Best in Group and Best in Show. **HOWEVER** – will not be awarded the title of Breed Champion.
 - b. Depending on the Regulations for other Discipline events, Breed Appendix Imported (A) and Breed Appendix Local Bred (AA) registered dogs may compete in other licensed Discipline events and receive awards.
2. FCI Shows / Events
 - a. In Breed - can compete for CACIB – (Regulations for FCI Dog shows - Regulation 4. Special Requirements/ Admission of Dogs).
 - b. FCI Working Events. Depending on the Regulations for Individual FCI Events, Breed Appendix Register dogs (Imported (A) and Local Bred (AA)) may compete unless otherwise specified in FCI regulation.
