2. LEVEL 2: LEARNER JUDGE

2.1. STUDY PHASES

2.1.1. Foundation Phase:

On a Learner Judge's first entry to Level 2, only one Group may be studied.

2.1.2. Advanced Phase:

On the successful completion of the Foundation Phase, a Learner Judge may study up to two (2) Courses simultaneously (eg. two (2) Group Courses or one (1) Group Course plus a Breed Specialisation Course or one (1) Group Course plus the Junior Showmanship Course), taking on an additional Course of study only once the previous Level 2 examination has been passed.

2.2. REQUIREMENTS

- 2.2.1. Upon indicating a chosen study path, the Learner Judge is assigned a Mentor, by the JEC Administrator, for the duration of the level of study (Level 2: Foundation Phase or Advanced Phase) whereby the Learner Judge may select one of three suggested, qualified national Mentors.
- 2.2.2. Learner Judges are encouraged to consult with their assigned Mentor for guidance and support for the duration of each level of study.
- 2.2.3. Details of Level 2 study requirements are outlined below (*See Reg. 2.3.*)
- 2.2.4. The order of progression through Level 2 is prescribed as follows:
 - 2.2.4.1. Breed Tests, to be followed by
 - 2.2.4.2. the Breed Hallmarks Assignment, whereafter a Learner Judge may be cleared for
 - 2.2.4.3. Judging Appointments with Reports.
 - 2.2.4.4. at any time during the course of study, the Learner Judge may:
 - a) complete the Shadow Judging Module
 - b) complete the Ring Stewardship Module
 - c) accumulate the required number of Learning Encounters
 - 2.2.4.5. Portfolio submission.
- 2.2.5. Assessment will be conducted for each module, either during or after completion.
- 2.2.6. Eligibility for the Paper 2 examination depends on the approval of the Portfolio, which serves as proof of successful completion of all modules.

2.3. MODULES

2.3.1. Breed Tests:

The rationale for this module is to cultivate familiarity with the location and content of the most current Breed Standards and to ensure a thorough understanding of the relevant Breeds before entering the ring to judge them.

- 2.3.1.1. The Learner Judge completes fifteen (15)* Breed Tests of the currently popular Breeds in a Group.
- 2.3.1.2. The JEC Administrator will forward these Breed Tests to the Learner Judge. Once completed, the Learner Judge will forward the Breed Tests to the assigned Mentor who will be responsible for assessing them.
- 2.3.1.3. The Tests comprise questions on elements of the relevant Breed Standards. Learner Judges must consult the current Breed Standards – available on the KUSA website – in order to answer the questions correctly (www.kusa.co.za/index.php/documents/breed-standards).
- 2.3.1.4. The pass mark for all Breed Tests is 100%. A Learner Judge may not be cleared to progress further until all fifteen (15) compulsory Breed Tests have been successfully completed.
- 2.3.1.5. If initially unsuccessful, Learner Judges will have the opportunity to revise or redo the Breed Tests until a successful pass mark is attained.
- 2.3.1.6. All Breed Tests must be stored in the Portfolio.
- 2.3.1.7. Additional Breed Tests on the rest of the Group may be completed by the Learner Judge on a voluntary, supplementary basis.

(*Note: For purposes of calculating the number of Breeds for quota requirements, one Breed, regardless of varieties within that Breed or number of individual Breed Standards published, counts as **one** Breed).

2.3.2. Breed Hallmarks Assignment:

The rationale for this module is to encourage the Learner Judge to identify the most important Breed Hallmarks and specific Characteristics of the relevant Breeds in order to be completely attuned to them and to present these in a format most useful for the Learner Judge's individual style of learning and for practical use during judging.

- 2.3.2.1. The Learner Judge prepares a brief list of Breed Hallmarks and specific Characteristics that succinctly encapsulate the essence of a minimum of fifteen (15)* Breeds.
- 2.3.2.2. Learner Judges are advised to consult their assigned Mentors plus the support material available to guide the successful completion of this module. (See the study guide: "How to prepare the Breed Hallmarks Assignment").
- 2.3.2.3. Learner Judges will be expected to prepare this assignment in a format of their own choice in order to facilitate their own particular learning style and practical application.
- 2.3.2.4. The Learner Judge submits the completed Breed Hallmarks Assignment to his/her assigned Mentor for assessment.
- 2.3.2.5. If initially unsuccessful, Learner Judges will have the opportunity to revise or redo the assignment until the appropriate Breed Hallmarks and Characteristics have been successfully identified.
- 2.3.2.6. A Learner Judge may not be cleared to progress further until the assignment, with all fifteen (15) compulsory Breed Hallmarks, has been successfully completed.
- 2.3.2.7. The Breed Hallmarks Assignment must be stored in the Portfolio for later assessment, but the Learner Judge is encouraged to use them practically during future judging assignments. Additional Breed Hallmarks on the rest of the Group may be completed by the Learner Judge on a voluntary, supplementary basis.

(*Note: For purposes of calculating the number of Breeds for quota requirements, one Breed, regardless of varieties within that Breed or number of individual Breed Standards published, counts as **one** Breed.)

2.3.3. Judging Appointments:

The rationale for this module is to gain practical experience in the multi-skilled task of judging at Conformation Shows. The writing of brief reports encourages the finding of sound reasons for judging decisions and promotes a culture of positive judging.

- 2.3.3.1. The Learner Judge may accept and will be cleared for Judging Appointments on the successful completion of the Breed Tests and Breed Hallmarks Assignment. (See Regs. 2.3.1. and 2.3.2.)
- 2.3.3.2. The Learner Judge will need to judge:
 - a) at least eight (8)* different Breeds in the chosen Group
 - b) at least sixty (60)** exhibits
 - c) at a minimum of three (3) Non-Championship Shows, at least two (2) of which must cover the whole Group, subject to Regulations 2.3.3.4 and 2.3.3.8 below.
- 2.3.3.3. No more than twenty (20) exhibits in one Breed* may be credited to the quota.
- 2.3.3.4. At least one (1) of the Judging Appointments must be in a different geographical Centre from the one in which the Learner Judge is based; more if possible
- 2.3.3.5. The Learner Judge completes the standardised Report form during his/her judging, in which details and numbers of the exhibits judged are entered, as well as a brief report on each Best of Breed winner.
- 2.3.3.6. On completion of the Judging Appointment, the Learner Judge must request the Show Secretary to endorse the Report form. The Show Secretary will acknowledge having signed off on said report form in the normal Return of Show Levies form, which is required to be forwarded to the KUSA Office and the JEC Administrator as per normal procedure.
- 2.3.3.7. On receipt of the Return of Show Levies form from the Show Secretary, the KUSA Judges' Department and the JEC Administrator will record and update the Learner Judge's progress and grant clearance for future Judging Appointments. No clearance for future Judging Appointments shall be granted without this procedure having been completed correctly.
- 2.3.3.8. A minimum of three (3) Judging Appointments must be observed by an Assessor assigned to the Learner Judge, which appointments may only take place in the geographical Centres of

Gauteng, Western Cape or KwaZulu-Natal, in accordance with the administrative division set out in Schedule 3, Reg 2.1.1.

- 2.3.3.9. The Assessor will provide feedback and guidance on the Learner Judge's performance and sign off the completed Judging Reports immediately on completion of the Judging Appointment.
- 2.3.3.10. The Learner Judge must store all his/her judging reports in the Portfolio.
- 2.3.3.11. On the successful completion of the required three (3) assessments, the Learner Judge may continue to judge, without assessment in any geographical Centre, in order to make up the required quota, if not yet achieved.
- 2.3.3.12. On completion of all requirements outlined under Judging Appointments 2.3.3. above, the Learner Judge may continue to judge at Non-Championship Shows in any geographical Centre, without assessment, or writing of Reports, until the Learner Judge feels ready to sit the examination.

*(*Note: For purposes of calculating the number of Breeds for quota requirements, one Breed, regardless of varieties within that Breed or number of individual Breed Standards published, counts as **one** Breed.)*

*(**Note: The total Breed entry recorded in the Learner Judge's Reports, as confirmed in the Return of Show Levies form, will be credited towards the final total requirements of 60 exhibits across all varieties).*

2.3.4. Shadow Judging

The rationale for this module is to grant the Learner Judge an opportunity to experience some of the typical challenges and situations within the ring at Championship Show level by closely observing the techniques and decisions of an experienced Judge, together with the opportunity to participate and practice with feedback and professional guidance.

- 2.3.4.1. The Learner Judge selects to shadow a Licensed Judge with at least 5 years' experience in the relevant Breeds, or an International Judge, at a Championship Show.
- 2.3.4.2. The Learner Judge must apply in writing – at least 2 weeks before the event – to the Show Secretary, who shall request permission from the Officiating Judge on the Learner Judge's behalf.
- 2.3.4.3. Learner Judges who fail to follow the procedure in Reg. 2.3.4.2. above, may risk forfeiting credit for the relevant Shadow Judging session.
- 2.3.4.4. The Learner Judge:
 - a) must shadow a minimum of eight (8)* Breeds split over at least two (2) appointments, viz. four (4) per appointment
 - b) may choose any four (4) Breeds as long as none are repeated
 - c) may choose to shadow more than eight (8) Breeds as long as only four (4) Breeds are chosen per appointment
- 2.3.4.5. Before the commencement of the show, the Learner Judge will meet the Officiating Judge, advise him/her of the four (4) Breeds chosen and request advice and guidance on relevant judging techniques. During this interaction, the judging and observation techniques (particularly with regard to the meaningful placement of hands and methods of measuring), are to be encouraged.
- 2.3.4.6. The Learner Judge must be present in good time before the judging of selected Breeds and may leave afterwards.
- 2.3.4.7. The Learner Judge accompanies and observes the Officiating Judge's technique as closely as possible in the ring without excessive intrusion. The Learner Judge is not permitted to spend the duration of the Shadow Judging session seated at the judge's table under the gazebo.
- 2.3.4.8. Following the award of Best of Breed by the Officiating Judge, all dogs will be excused from the ring with the exception of the Best of Breed exhibit. Then the Officiating Judge or Ring Steward will request the exhibitor to allow the Learner Judge to examine the exhibit in the centre of the ring.
- 2.3.4.9. No public or overheard criticism of particular exhibits will be permitted by either the Officiating Judge or the Learner Judge, but the Officiating Judge is permitted to offer advice discreetly on appropriate judging techniques and the identification of hallmarks.
- 2.3.4.10. Proof of all Shadow Judging Assignments must be endorsed by the Officiating Judge.
- 2.3.4.11. The Learner Judge completes an Observation Report following each Shadow Judging session to be stored in the Portfolio.

- 2.3.4.12. Learner Judges are permitted to enter their own dogs in another Group as long as it does not clash with the Shadow Judging commitment.

(*Note: For purposes of calculating the number of Breeds for quota requirements, one Breed, regardless of varieties within that Breed or number of individual Breed Standards published, counts as **one** Breed. One variety within a Breed is equal to one of the eight Breeds required for Shadow Judging Assignment).

2.3.5. Ring Stewardship

The rationale for this module is to increase opportunity for the Learner Judge to become fully familiar with procedures, rules and regulations within the ring. Working in the Group ring being studied also allows considerable indirect learning in between ring stewarding duties.

- 2.3.5.1. The Learner Judge is required to attend and complete at least one Ring Stewardship Course or Seminar. Proof of attendance will be required if a Ring Stewardship Course or Seminar was attended prior to registering for Level 2 studies, in which case, credit will be given and compulsory attendance will not be necessary.
- 2.3.5.2. The Learner Judge is required to serve as a Ring Steward at a minimum of one (1) Non-Championship Show and one (1) Championship Show, preferably in the Group the Learner Judge is studying, although Ring Stewardship in another Group will be accepted if it is impossible to arrange an appointment in the Group being studied within an acceptable period.
- 2.3.5.3. The Ring Stewardship appointments may be completed in any order and not necessarily before the first Judging Appointment, although this is strongly advised. The Learner Judge may serve additional appointments as a Ring Steward in the Group he/she is studying or any other Group, but these appointments will not be counted towards the module requirements.
- 2.3.5.4. Ring Stewardship experience gained before acceptance into the Learning Programme does not count towards this module requirement.
- 2.3.5.5. A Learner Judge may not serve a Ring Stewardship in a Group within one month prior to judging that Group in the same Provincial area.
- 2.3.5.6. Proof of Ring Stewardship must be endorsed by the Show Secretary and stored in the Portfolio.

2.3.6. Learning Encounters

The rationale for this module is to open the Learner Judge to a number of different learning opportunities that may offer various views of and insights into, the Breeds being studied in order to form balanced and supplementary knowledge of these Breeds and also to inculcate a culture of life-long learning.

- 2.3.6.1. The Learner Judge must attend or participate in a minimum of ten (10) Learning Encounters, of which:
- a) three (3) Breed Seminars/Workshops are compulsory, and
 - b) the balance of at least seven (7) Learning Encounters may comprise any or all of the following:
 - additional Breed Seminars/Workshops
 - private Breed discussions
 - group clinics (eg. Breed Hallmarks of several/all Breeds in a Group)
 - online Breed Seminars/Presentations/Webcasts
 - privately-viewed Breed Presentations
 - Study Groups
 - Grooming Workshops
 - Shadow Judging at Non-Championship Shows (same procedure as Shadow Judging at Championship shows - refer to *Reg 2.3.4. above*).
- 2.3.6.2. The Learner Judge must record full details of place, presenter, date, references and proof of attendance on standardised forms to be stored in the Portfolio.
- 2.3.6.3. All Learning Encounters – whether private or public – must be summarised and analysed.
- 2.3.6.4. Learner Judges are advised to consult the Study Guide: *“How to record your Learning Encounters”*.
- 2.3.6.5. Credit will be given for previously attended Seminars covering the Group or Breed being studied, providing proof of attendance is provided.

2.4. PORTFOLIO

- 2.4.1. The Learner Judge keeps a Portfolio to record accomplishment of all learning modules (See *Reg. 2.3.*)

- 2.4.2. Once the Learner Judge has completed all the requirements of the Level, the Portfolio is submitted to the assigned Assessor for assessment.
- 2.4.3. The purpose of the assessment is to ensure that all modules have been completed at a standard sufficient enough to secure examination entrance. If there are Assignments that do not yet meet the required standard, these will be indicated by the Assessor and the Learner Judge will be advised to rework Assignments where appropriate. Only the reworked tasks need to be resubmitted by the Learner Judge.
- 2.4.4. Learner Judges are advised to consult the study guide: "*How to prepare your Portfolio*".

2.5. EXAMINATION: PAPER 2

- 2.5.1. On the successful completion of the whole level of study, the Learner Judge may apply to sit the examination, Paper 2, without reference books or material, held usually in June or November.
- 2.5.2. Paper 2 is a combined examination that comprises three (3) sections:
 - 2.5.2.1. KUSA Breed Standards (200 marks)
 - 2.5.2.2. KUSA Rules and Regulations (40 marks)
 - 2.5.2.3. Anatomy, Conformation & Movement (60 marks)
- 2.5.3. The format of the examination will be multiple choice, naming and labelling questions.
- 2.5.4. Paper 2 will carry 300 marks with a minimum pass requirement of 75%.
- 2.5.5. The duration of the examination shall be no longer than 3 hours.
- 2.5.6. Examination papers will be marked by the Examiner and moderated by at least one qualified Moderator before results are made known.
- 2.5.7. Examination Candidates will be notified by the KUSA Judges' Department of their success or failure in the examination and a percentage mark shall be given.
- 2.5.8. If the Candidate is successful, he/she may register with the JEC Administrator to begin studies for a new Course of study, if desired.
- 2.5.9. If the Candidate is unsuccessful, he/she may register to rewrite the examination at any future examination opportunity.
- 2.5.10. A re-marking facility will be available on payment of a fee, as determined by the KUSA Office.
