Club Committee Welcome: 2019

It is an honor and pleasure to welcome you all to the Shetland Sheepdog Club's 54st Championship Show. Our judge today is Mrs. Yvonne Jefferies. She has been showing dogs since 1988 and owns and shows Rough Collies. We are privileged to have her judge today and on behalf of the committee. Mr. Jefferies is our ring steward and we want to thank him for giving up his time to be with us today.

Special thank you to our sponsor Montego, for their generous sponsorship of food prizes. They have been supporting the club for the past three years through difficult economic times. We are extremely grateful for their continuous support.

Thank you to our club secretary, Natasha Schoeman for sponsoring and spoiling all our exhibitors with a gift. We also want to thank Gail Killian for sponsoring prizes for our big winners. The committee also want to congratulate both Natasha and Gail on their great performances with their Shelties at the Agility World Championship in September.

Last but not least we want to thank everyone who came out today to join us for the show. Without the sheltie lovers and enthusiast this show would not have been possible. We really hope you have a pleasant and successful day. Win or lose we all take home with us the most special and beautiful Sheltie, our own loving and faithful sheltie. Let's enjoy the show together. The committee is ready to help and assist you if you have any queries.

Kind regards

Shetland Sheepdog Club Committee

Disclaimer: Whilst every care has been taken in compiling this catalogue, it is possible that errors may have occurred. If there are any mistakes with your entry, please report to the Show Secretary immediately. The Shetland Sheepdog Club does not hold itself responsible for any mistakes made on entry forms, this rest solely with the exhibitor.

All exhibitors/handlers are personally responsible for the control of their dogs at all times and shall be personally liable for any claims which may be made in respect of injuries which may arise or may be caused by their dogs.
