Welcome

Ladies and gentlemen, we are honoured and thrilled to welcome you to the prestigious 59th Championship Show of the Shetland Sheepdog Club, a testament to our enduring love for this remarkable breed.

Today, we are privileged to have Mrs. Michelle Van Vuuren as our judge. Mrs. Van Vuuren is the owner of Snoweyriver White Swiss Shepherd kennel. She founded the first White Shepherd Dog Club in South Africa and played a crucial role in obtaining recognition for the breed with KUSA. Her breeding and lines can be found in top-winning dogs in various countries. Mrs. Van Vuuren is a fully qualified judge of Herding Breeds and a qualified Specialist Championship Show level judge of the White Swiss Shepherd Dog. She has also recently passed her Working Group exams and has conducted various in-person seminars on her dog breed. Thank You so much, Michelle, for judging our Shelties today.

We want to express our gratitude to Montego for their generous sponsorship of food prizes. Montego has been a steadfast supporter of our club for the past eight years, especially during difficult economic times. We are truly grateful for their immense and continued support. We also want to thank Wolfpack for the lovely blankets they sponsored for our main winners.

Most importantly, we want to extend our heartfelt thanks to each and every one of you who is participating in today's show. Your passion and dedication are what make this event possible. It is a privilege to spend the day with fellow Sheltie enthusiasts like you. Win or lose, we cherish the time spent with our special Shelties. We hope you enjoy this fantastic event with us. The committee is ready to assist you if you have any queries.

Kind regards,
Shetland Sheepdog Club Committee

A word from our Judge Michelle van Vuuren

To All Shetland Sheepdog Exhibitors,

Before my introduction, I would like to say a big thank you to the Shetland Sheepdog Club for the invitation to judge such a beautiful breed. Equally I wish to express my appreciation to all exhibitors for entering under me. I get to judge your breed giving each exhibit careful consideration and you get to showcase your wonderful breed!

About My Journey into the Dog World

I was raised in the evergreen province of Kwa-Zulu Natal (although born in Port Elizabeth)- part of a family of 5 children. As kids we would roam the farms barefoot or on horseback, carefree. My extreme love for horses and our family dogs was clearly evident. Our family owned a variety of purebred dogs over the years. I competed as a child in show jumping events and always had one of our dogs sleeping on my pillow at night. As a child, I was often seen 'training' our dogs to sit or do tricks.

During my travels to Austria, I was introduced to the world of dogs. In the early 1990's I passed my first BH exam with my mixed breed Teckel-cross terrier and later went on to pass both the BH exam and tracking FH-I exam with my first White Swiss Shepherd Dog. My kennel name Snoweyriver was established in Austria in 1997. In this same year I had my first litter of WSSD's – and two litter mates went on to achieve Youth Sieger and short coat World Champion bitch at a specialist show in Germany. My first WSSD was trained in the sport of IPO and I showed her successfully in breed in Europe too. (placed V3 in the World Champs specialist show in Germany).

Towards the end of 1997, I relocated to South Africa and established the first ever White Shepherd Dog Club for our breed and later achieved a milestone in obtaining recognition for our breed with KUSA. Dogs from my breeding and lines can be found in top winning dogs in Europe, Scandanavia, Australia, New Zealand, USA to name a few countries.

I have competed successfully in various disciplines both locally or/and internationally in breed, obedience, agility and in preparing my dogs for the sport of IPO.

Today, I am a fully qualified judge of the Herding Breeds of dogs and qualified Specialist Championship Show level judge of the White Swiss Shepherd Dog. I have also recently passed my Working group exams. I have conducted various in-person seminars for my breed of dog.

I am passionate about judging and believe in giving every exhibit a fair chance. I judge with positivity and ensure my exhibitors feel comfortable in the ring.

To have focus, to 'think and to compare' in the ring is vital in judging dogs.

I have always had great admiration for the Shetland Sheepdog, one of my favourite breeds. I will be looking for dogs with 'sweetness of expression', overall balance and proportion, sound in temperament and structure, impressive with 'curves and sweeps' and typical in breed type. I will be keeping my eye open for a wonderful Sheltie silhouette, so graceful in movement – a companion dog, and true to its type and function as a working sheepdog.

Good Luck everyone and remember the show ring is your stage!

Michelle van Vuuren
