hosting our Judge

MRS. LETSIE FISCHER
(GAUTENG)

I was born in January 1965, married to Johann Fischer and we have 2 children Hannes (27 years old) and Corlia (21 years old). Professionally I did my Maters degree in Biokinetics at the University of Pretoria. Currently I don't practice as a Biokenitician, but help Johann with his Engineering business and dedicate my time to our family and our Rottweilers.

From the time I can remember I had a dog, my first dog as a 4 year old girl was a Boerboel. In 1988 Johann and I bought our first Rottweiler after we saw a programme on television that demonstrated the Aptitude Testing (APT) of dogs. The Rottweiler stood out for me as a dog, highly trainable, intelligent, loving and devoted to his family, my all-in-one dog. The intention was never to become a breeder but seeing and experiencing the wonderful nature and character of this

phenomenal breed, we decided to try to preserve that and so Boschkop Rottweilers was born.

We joined the Rottweiler Working and Breeding Association (RWBA) in 1989. We are breeding Rottweilers under the KUSA Kennel name "Boschkop" since 1990. In 1997 I started Puppy Socialising classes at the RWBA for the first time, at that time a very new concept in Rottweiler training. We managed the Pretoria Branch of the RWBA for many years, and I served as treasurer on the main committee for many years. In 2001 I qualified my 4,5 year old Rottie male, Boschkop Fritz as one of the first Rottweiler Canine Good Citizens (CGC) and in the same year he passed the APT test under Dudley Bennett. At that point in time CGC was an unknown area for the Rottweilers as a breed. I must admit some people frowned upon us participating. I took him to schools and old age homes, teaching kids about responsible pet ownership and highlighting numerous elderly in old age homes.

In 2005 we imported 2 female Rottweilers from Europe and later a male in the quest to improve our own genetic lines and breeding. This proved to be very successful with the result of winning numerous Specialist Championship Shows Best in Show titles as well as Grand Victor titles, with them and their offspring. Our proudest are the "Home Champion Rottweilers" in loving homes, where the dogs we bred, are integrated family members. A couple of our Rottweilers we bred are qualified Therapy Dogs. We have bred 57 Rottweiler litters in 28 years.

I am a founder member of the Praetor Rottweiler Club of Tshwane (PRC) and have been the chairperson since its affiliation with KUSA in 2011. I head the training of the club and the reward is heart-warming to see the once scared and unsure dog and owner, developing into the self-assured, formidable and obedient team of man and his dog. I also serve on the Rottweiler Breed Council as delegate of the PRC, at first heading the "Media and Communication portfolio" but currently as the Secretary of the RBC.

I qualified as a Rottweiler Specialist judge in November 2015 after being involved on the learner judges' scheme of KUSA through many changes. I am currently in the final stages of qualifying as a Working Group KUSA judge. I am looking forward to judge your show. I feel very honoured and thankful for the opportunity.

I want to echo the words of Roger Caras

"Dogs are not our whole life, but they make our lives whole".
