9th CHAMPIONSHIP SHOW

1ST / 2ND SEPTEMBER 2018

WHOLESOME GOODNESS

To all of our Competitors, Judges and Sponsors

2018 – and our 9th Annual Championship Show is underway.

Once again we take time to reflect on the losses the dog world has experienced, judges, handlers and dogs. All of whom have meant so much too so many in different ways and disciplines. To the families who have experienced this loss, we take a moment to honour you and to share with you your grief. To our Novice Judge Peter Dinsmore our deepest sympathy on the loss of Ingrid; and to our Club members who have lost loved ones, humans and pets we are here for you!

On the brighter side, our changing the Dog Jumping and Agility over to the Sunday is truly proving to be a success. Obedience/Carting has suffered a slight loss this year compared with last year, as has Agility and Dog Jumping, however, it would appear that becoming a member of KUSA has not adversely affected entries.

We welcome the many new faces in the dog world and we salute all those of you who are promoting how wonderful 'working' with dogs can be. May you have many years to laughter, joy and success?

A show of this nature doesn't just happen – there are so many people involved, each of whom plays a critical role in enabling us to put the weekend together successfully. It is the background functions which are performed over the two days that make everyone want to come back to our show. So please believe me when I say with all sincerity, thank you to all of you from myself as Chairman.

Firstly, a very special **THANK YOU** to Montego for coming to our rescue in the sponsorship of prizes. We really do appreciate your support.

Once again we have to make special mention of Edeltrudt and Rolf and the team of folks, who have, for prepared the grounds in preparation for our Show.

Our entries are slightly down over all the disciplines, but still a wonderful turnout for our show. To our Judges and Stewards – thank you for giving us your valuable time and expertise. I think the number of entries clearly reflect the confidence and respect that the competitors have in you, and have no doubt that this will be a successful show for many competitors – all **130** dogs with entries across the disciplines totalling **257** entries has given us another absolutely outstanding Show!

Thank you to the B.A.D.T.C. Committee/Trainers and Members who once again so willingly jump in wherever needed to ensure that the grounds are set up, parking areas available, kitchen and bathroom facilities in order, and of course the catering for the judges and stewards.

Eugenia and Nkosani are a very special part of our team who ensure that all our facilities and grounds are clean and secure. Thank you for taking care of this whilst we focus on our dogs.

Most important of all - we are blown away at the awesome support from you, our competitors, and hope that each and every one of you has a very happy and successful show.

Enjoy your weekend with us, have fun with your dogs, travel home safely and we hope to see you back again next year.

A handwritten signature in black ink, appearing to read "Rita Cook".
