INSTRUCTIONS

Please follow these instructions carefully. You are welcome to consult your assigned Mentor for guidance.

1. You need to successfully complete this Breed Test ***before*** you may fill a judging appointment in this breed.
Note: If you wish to accept an invitation for an appointment in the future, make sure that you allow sufficient time before that appointment to successfully complete this module (Breed Test) and the next module (Breed Hallmarks Assignment), otherwise you will not be permitted to judge this breed at a Non-championship show.
2. You need to consult the current breed standard – available on the KUSA website – in order to answer the questions correctly. (www.kusa.co.za/index.php/documents/breed-standards).
3. **Complete your tests as follows:**
 - a) Work on a computer, laptop, or tablet. You must have MS Word loaded.
 - b) Save the document as **YourName_Breed.docx (or .doc)**
 - c) Type your answer in the block below each question.
 - d) If a question requires multiple answers, take care to type the answer against the correct number.
 - e) **Do not cut and paste from the breed standard** – that is no learning experience!
 - f) Save your work regularly.
 - g) Delete all superfluous line breaks as you complete your work.
 - h) **Please do not save as a .pdf document or .jpg image**
 - i) Send the completed document as an Email, Messenger, or WhatsApp attachment to your assigned Breed Specialist Assessor (consult your Breed Specialist Assessor to establish the preferred submission method).
4. The pass mark for the Breed Test is 100%. You will not be permitted to progress further without this successful completion.
5. If initially unsuccessful, you will have the opportunity to revise or redo the Breed Test until a successful pass mark is attained.
6. It will be to your own benefit to work diligently on this module and avoid attempting to copy from someone else, which will serve little purpose in preparing you for the task of judging.
7. The successfully completed Breed Test must be stored in your Portfolio.
