CONVENER REPORT 2022

Dear National Working Trial Sub-Committee

This last year has seen the lifting of Covid-19 related restrictions allowing us to get back to the sport we love, Working Trials. It is wonderful to see a 'full house' again with five provinces represented at the meeting with Eastern Cape and Border Provincial Sub-Committee having been reinstated in May 2022.

Shows have been held in Gauteng, Western Cape, Eastern Cape and KZN. Thank you too to all our hard working tracklayers – without them trials would not be possible.

I'd like to express my sincere thanks to Mr Vincent Fry for serving as the Convener for many years prior to his emigration to the UK in August 2021.

I'd also like to thank Mrs Christine King for her years of hard work, not least as Secretary for the Transvaal Working Trials Association, but also her service on the National Sub-Committee. Christine will be emigrating to the UK in July and we wish her everything of the best in this new venture.

Welcome back to Mrs S Woodiwiss who renewed her judges license earlier this year and has recommenced judging Working Trials.
