Dear Robyn

You have been copied in on my email to Helen this morning, from which it should be apparent that DOGSPC's view accords with yours below.

I wish the new National Sub-Committee all the best in its endeavours to entrench Rally Dog as a dogsport and grow its popularity.

With warmest regards,

Gérard

Hi Helen,

Thank you for including me in your email to Gerard, however I just want to clarify something, and that is that each province has a representative on the National Rally Dog sub-committee, would you then be the representative for DOPSPC? And by mentioning me in your email are you referring to the National Convenor of Rally Dog? I would be happy to take this up however I think this is officially done at our first Rally Dog National sub-committee meeting. For now, I would like to get the letter into KUSA before the FEDCO cut-off date of 11 October, so that we can formalise the National Rally Dog sub-committee at the December Fedco meeting.

Each provincial representative then sits with the other provincial reps and together we dissect / discuss any matters regarding the schedules and judging etc and together we come to an agreement, so that Rally Dog is uniform across South Africa.

I look forward to us collaborating regarding RALLY DOG going forward! 😊

Could I also request the KUSA membership numbers of your sub-committee, and do you have a Treasurer?

Kind regards,

Dear Helen

Thank you for advising the Officers of the Rally Dog Sub-Committee.

Please note 14.4 of the Rally Dog By-laws:

14.4 To elect, every four years, a representative to serve on the National Rally Dog Sub-Committee of KUSA for a term of 4 years, the fresh cycle to commence on 1 January 2022.

The Rally Dog Standing Sub-Committee of DOGSPC must be represented by one of its own on the National Sub-Committee. As the Chairman and a Senior Judge, I believe you are best placed to represent the new DOGSPC Standing Sub-Committee on the National Sub-Committee.

Every year I include a set of guidelines for the Sub-Committees in the DOGSPC AGM Minutes as a "Note". I haven't completed the Minutes yet, but am happy to share these Guidelines in advance.

[Note:

- a) *With the exception of IGP, the members of DOGSPC's Standing Sub-Committees **are elected by DOGSPC each year**, as determined by the By-laws for all DOGSPC Standing Sub-Committees (excluding IGP) and those elected are all required to be current members of KUSA;*
- b) *All members of DOGSPC's Standing Sub-Committees, including co-opted members, need to be **members in good standing of KUSA** and remain so for the **entire duration of their service on a Standing Sub-Committee**;*
- c) *The Representatives of DOGSPC's Standing Sub-Committees elected to serve on the **National Sub-Committees** are **elected by the members of the respective Standing Sub-Committees of DOGSPC**, as determined by clause 6.2 of the KUSA By-laws for National Sub-Committees;*
- d) *Persons elected by the members of the respective Standing Sub-Committees to serve on the **National Sub-Committees** are **elected for a period of four (4) years**, in fixed four-year cycles which commenced on 1 January 2010; the fresh four-year cycle to commence on 1 January 2022;*
- e) *The Chairmen of DOGSPC's Standing Sub-Committees are **elected by the members of the respective Standing Sub-Committees each year** as determined by the By-laws for the respective DOGSPC Standing Sub-Committees; and*

*f) KUSA requires the Representatives elected to serve on the **National Sub-Committees** to be advised to KUSA by the **Provincial Councils**, not by the Provincial Council Sub-Committees. KUSA's preferred way of receiving this information was by way of Provincial Council Minutes in which the names of the elected Representatives are recorded.*

In view of the above, the following procedure was recommended:

*a) That the members of the Sub-Committees of DOGSPC elected at this AGM (IGP excluded), should meet in the next few weeks to, inter alia, **elect their Representatives** to serve on the **National Sub-Committees** and that DOGSPC should be officially informed of the persons so elected ahead of its Ordinary Meeting scheduled for Tuesday, 23 November 2021, so that the elected persons may be announced at that meeting and their names recorded in the Minutes of that meeting.*

*b) That the members of the Sub-Committees of DOGSPC elected at this AGM (IGP excluded), at its first meeting following this AGM, elect a **Chairman, Vice-Chairman and Secretary** and officially inform DOGSPC of the persons so elected ahead of its Ordinary Meeting of 23 November 2021, so that the elected persons may be announced at that meeting and their names recorded in the Minutes of that meeting.]*

I hope the above helps!

With warmest regards,

Gérard

Thank you for the smooth Dogspc meeting, and our transition into a standing subcommittee.

Our three committee members are as follows

In terms of the National sub committee, we are happy with Robyn Clements for Western Province representing us on that committee.
