Dear Mrs. Morrison,

re: **REDUCTION IN KUSA MEMBERSHIP**

I set out below details of a proposal put forward at the KZNPC meeting held on 28 January 2021, for your kind attention.

The proposal put forward by KZNDAA on behalf of 37 of its members, was that in the light of the difficult financial times so many people are finding themselves in due to the Covid-19 pandemic that KUSA consider a reduction in KUSA membership fees for members, for one year.

The majority of the members are long standing KUSA members and it was felt that if KUSA gave a reduction in membership fees for one year, it would demonstrate the commitment and show the gratitude KUSA has towards its members.

We look forward to your response at your earliest convenience.

Yours faithfully,

M.J. HANCOCK
Chairlady
KZNDAA
