Online Meeting Etiquette

This document is prepared on the basis that the LRKC's 65th Annual General Meeting is to be conducted Online, through Microsoft Teams and assist attendees on the process that will be followed during the meeting.

1. Prior to the date of the LRKC AGM, all confirmed attendees will be sent an electronic meeting invite by e-mail with a link to join the meeting. In this invite, the AGM meeting pack will also be emailed electronically, and set on the screen display to follow the meeting for ease of reference.
    a. You do not need to have Microsoft Teams installed on your PC to join the meeting. Follow the instructions below to join the meeting.
    b. In the email invite, select Click here to join the meeting.
        i. You can also use a dial-in number and conference ID from the email to call in.
    c. Three choices will present itself:
        i. Download the Windows App.
        ii. Continue on this browser: Join a Teams meeting on the web.
        iii. Open your Teams app.
    d. Select option two if you do not have the Microsoft Teams App.
    e. Type your name, so that we can Identify who you are for attendance and voting purposes.
    f. Choose your audio and video settings.
        i. Upon entering the meeting, everyone is required to mute their microphone so that the necessary business may be conducted.
        ii. You are more than welcome to have your video display on, remember that this does slow down your internet.
    g. Select the Join Now option.
    h. Everyone will then go to the lobby, and thereafter admitted into the meeting.

2. Remember, your microphone is to be muted, if your microphone is not muted, it will be muted on your behalf.

3. Notice to convene the meeting will announced by the club secretary.

President: Mrs J Pott
Patrons: Mrs R Cabion; Mrs C Copestake; Ms D Fabian; Mrs P Harrison; Mrs E Howard; Mrs D Holman
Chairman: Mr D Malcolm; **Vice Chairman:** Mr P Nicholson;
Secretary: Mrs S Borralho; **Treasurer:** Mrs S Brown

4. Attendees register will then be taken. Your name will be read out and you will need to confirm your attendances either through verbal confirmation or by “raising your hand” (click the raise your hand button) to confirm your attendance.
    a. When confirming your attendance through verbal confirmation, please unmute your mic and then re-mute your mic thereafter.

5. Apologies will then be noted.
    a. Should you wish to note an apology, please raise your hand, wait to be given the opportunity by the chairman, then unmute and re-mute accordingly.

6. The agenda will be followed for the business of the day.

7. Voting
    a. Voting will take place by means of raised hands, which will need to be recorded accordingly. Please allow the Chairman and Secretary to record these, and only once recorded please remove the “raise hand” option.

8. Be careful not to interrupt others when they’re speaking. Though, this can admittedly be difficult if lags in audio responsiveness or video streaming make it unclear when other participants start and stop speaking. This is a significant reason to invest in a conferencing solution with the highest quality HD audio and video.
    a. For this specific reason, should you need to speak during the meeting, please raise your hand, and the Chairman will acknowledge and open the floor to you.

9. Another great tip: mute your mic when you aren’t speaking. We’ve all heard conference call horror stories about people who assumed they were on mute only to share private or unsavoury information to an unintended audience.

10. Meeting manners don’t go away just because you aren’t physically present with the other participants. Put the golden rule to work here: do unto other online meeting attendees, as you would have them do in your meetings.

11. Everyone not following or adhering to the above unfortunately will be asked to leave the meeting accordingly to ensure that the business of the day can be achieved.

14. GENERAL

- Genevieve Alberts noted she wishes to arrange another webinar; however, she is having challenges securing experts to present. Her preferred topic is a lecture on reading pedigrees and the importance of reading pedigrees. Jane Pott said this is a brilliant suggestion. Renier Jansen van Vuuren suggested Mr Gary Johnson, he has written several pedigree books and is also an employee of the Kennel Club. Genevieve Alberts asked if it should be Labrador specific or a general talk, and attract other interested parties, this way, the Club can charge for it and raise some funds for the Club. Sandy Borralho said she thinks it is important to possibly get other parties involved. Renier Jansen van Vuuren agrees. Tony Wynne suggested to consider broadening it from breed to other working pedigrees. Jane Pott recommended not to go into the working pedigree environment at this point in time. Genevieve Alberts requested that members please submit ideas and suggestions for topics (training, breeding, breed standard or general questions) for these Webinars.
- Renier Jansen van Vuuren suggested in order to work towards promoting the Club and raise more interest in membership, perhaps the Club can contact groups like the Labrador Facebook group called Labradors of South Africa and ask to post an advert and advertise events on the group. Pierre Nicholson said he is part of this Labradors of South Africa group and that it comprises owners of purebred, pedigreed and crossbred Labradors. Renier Jansen van Vuuren said there are often good-looking Labradors on this group but perhaps this is the platform where pure breeding should be advertised, promoting quality, pure bred Labradors. Dwayne Malcolm recommended the event that will be hosted at the Walkhaven dog park on the 21st of May 2022 to promote the Club. Dwayne Malcolm said it is in consideration to start a Facebook page and this is something the committee needs to discuss and decide on.
