- FCI AGILITY – is similar to our KUSA AGILITY CONTACT
- FCI JUMPING – is similar to our KUSA AGILITY NON CONTACT

HOWEVER: The Categories and Grades for both FCI AGILITY and FCI JUMPING are the same as those used for KUSA Agility: Small, Medium and Large – grades (Levels) 1, 2 and 3 in each size category. (Noted FCI JUMPING is not in Grades 1 – 4)

COMPETITION: International & National

INTERNATIONAL COMPETITION: This is only for dogs/bitches that have a Kusa Pedigree Certificate (Only for Pedigreed dogs on the Breed Register)

NATIONAL COMPETITION: This is for all dogs/bitches whether Pedigreed or non- Pedigreed. All dogs/bitches must have a Kusa registration No.

Please note: All entrants will only have to run ONCE in Agility and ONCE in Jumping on the day. That is, those Pedigree dogs that have entered into the National and International competition will only run in the International competition. On completion of judging, the office will then slot in the times and results of the Pedigreed dogs who, entered into the National competition, from the results of their runs in the International competitions and only after the completion of judging will the Winners Announcements be made.

REQUIREMENTS FOR ENTRY INTO BOTH INTERNATIONAL & NATIONAL COMPETITIONS:

- All Dogs/Bitches are required to have some form of identification (either a micro chip or a tattoo) which must be reflected on the entry form.
- Owners of Exhibits are required to be a member of a Club affiliated to Kusa.
- Dogs coming from or going to a region infected with Rabies must have a valid inoculation certificate against Rabies.

DOGS/BITCHES NOT ELIGIBLE FOR COMPETITION ARE:

Every country will propose to the FCI its candidates for the title of International Agility Champion and will provide the relevant documents.

GRADING CERTIFICATES:

These will be issued to both the International & National competitors. The Judge will issue these certificates on the day under the following criteria set by the FCI

Qualification / certificate

0 to 5,99 total faults	EXCELLENT

16 to 25,99 total faults	GOOD
more than 26 total faults	NO QUALIFICATION

'Total faults' means: all the faults on the obstacles plus all the time faults

Handlers to note:

Walking of courses – handlers are expected to be at their ring when called in order to ensure the timeous running of the shows. This may mean that handlers have to walk more than one course before competing with their dog in either/all of the rings.

Running order – pre-draws will be done and posted on the notice boards. If you miss your running order, you will run at the end of the class. This must be pre-arranged with the judge and a valid reason must be given for missing the slot. Please do not approach the tables for information on running orders.
