ANNUAL REPORT

The NBJS AGM was held on 19 May 2016 via telecon .

Discretionary Extensions for submission of evaluations were discussed . There is no need to change schedules and documentation but PBJSC Chairman were instructed to adhere strictly to the 30 plus 30 days for evaluation submissions and extensions . Request for further extensions to be forwarded to the Convenor with motivation and supporting documents . The decision of the Convenor will be final and finite .

The ECPBJSC hosted a long awaited “blitz” seminar weekend from 20 May to 22 May 2016 . The seminars were well attended and enjoyed by the Learner Judges. Our thanks to Joan Barrow for joining in and supporting the Eastern Cape Learner Judges .

The NBJS has during the latter half of this year finally settled into dealing with queries and proposals via email . This method works well and the NBJS members are comfortable with it . We have submitted 5 proposals to be included in the December 2016 Fedco Agenda and we have followed through on the Fedco directive to amend Schedule 10 to keep KUSA compliant with FCI Regulations . Our thanks to Mr. Gerard Robinson , our Fedco /NBJS Co-Ordinator for sharing his skills and assisting me with preparing the drafts in the form required by Fedco .

The Provincial Breed Judges Sub Committee Chairman continue to lead activities in their areas and manage regional affairs . The NBJS members (Donne Lucas EC , Fran Browning Christina DOGSPC , Pat de Coning NAPC , Carine Buitendach FS&NC , Joy Mc Farlane WC , G Morison KZN and Renee Fourie Secretary) are active in all aspects of dogdom. They have strong opinions and certainly voice them , they give freely of their time and experience and work together towards helping Learner Judges reach their goals .
