APPROVED / NOT YET APPROVED

INSTRUCTIONS

Please follow these instructions carefully. You are welcome to consult your assigned Mentor for guidance.

1. You need to successfully complete the following fifteen (15) compulsory Breed Tests ***before*** you may fill a judging appointment in this group. ***Note:*** If you wish to accept an invitation for an appointment in the future, make sure that you allow sufficient time before that appointment to successfully complete this module (Breed Tests) and the next module (Breed Hallmarks Assignment), otherwise you will not be permitted to judge this group at a Non-Championship show.
2. You need to consult the current breed standards – available on the KUSA website – in order to answer the questions correctly. (www.kusa.co.za/index.php/documents/breed-standards).
3. **Complete your tests as follows:**
 - a) Work on a computer, laptop, or tablet. You must have MS Word loaded.
 - b) Save the document as **YourName_Breed.docx (or .doc)**
 - c) Type your answer in the block below each question.
 - d) If a question requires multiple answers, take care to type the answer against the correct number.
 - e) **Do not cut and paste from the breed standard** – that is no learning experience!
 - f) Save your work regularly.
 - g) Delete all superfluous line breaks as you complete your work.
 - h) **Please do not save as a .pdf document or .jpg image**
 - i) Send the completed document as an Email, Messenger, or WhatsApp attachment to your assigned Mentor (consult your Mentor to establish the preferred submission method).
4. The pass mark for all Breed Tests is 100%. You will not be permitted to progress further without this successful completion.
5. If initially unsuccessful, you will have the opportunity to revise or redo the Breed Tests until a successful pass mark is attained.
6. It will be to your own benefit to work diligently on this module and avoid attempting to copy from someone else, which will serve little purpose in preparing you for the task of judging.
7. All successfully completed Breed Tests must be stored in your Portfolio.
8. Additional Breed Tests on the rest of the Group may be completed on a voluntary, supplementary basis.
