NATIONAL OBEDIENCE CHAIRMANS REPORT

MR CHAIRMAN FEDCO

We have nearly come out of six months of a virus that kept every body at home The worst affected were the children and our dogs. No walks to our special outings. Although, house bound, we continued to email and phone one another. Thank goodness for Zoom we also could hold meetings.

There has been no progress or activities at clubs or shows due to the Lock Down. According to my information all shows were cancelled until next year.

Low and behold we are in stage one , Two of the breed clubs decided to have a local show in October. Many emails were going from KUSA to the shows. Conditions and more conditions had to be adhered too. We must remember that these two clubs were putting on Obedience and other disciplines shows not Breed.

Because of time and conditions we could not run our prestige Victor/Victrix Ludorum competition because it was not a championship show.

The two shows were well attended. My sincere thanks to the shows which had adhered to all KUSA rules and conditions. Special basins of water and soap was at all Obedience judges tables.

In November a club in Gauteng will be holding their Obedience show.

Due to the fact that we could not hold more shows our Handler and Dog of the year 2020 would not be held in the Provinces.

We are concerned about who is KUSA sending the Canine Good Citizen booklet too, Only organisations and Clubs who have a recognised Evaluator.

Kusa has all the Evaluators names in Provinces. Yet we are still having problems. Are the signed copies been returned to Kusa ?

Due to the Lockdown we only sent out two Obedience newsletter for the year .

To my committee who stood by me, my sincere Thanks. Special thanks to all Provincial Councils .

Last but not least, to all Obedience Judges and Ring Stewards - you are an asset to KUSA THANKS YOU.

REGARDS.
