National Working Trials Sub Committee Convenors Report 2020

It is with great disappointment to report that very little action has happened with this committee for 2020. As with everybody else we were thwarted by Covid 19.

In saying that in Gauteng 4 shows were held in 2020, 2 before the shutdown and 2 at the end of October.

This committee and I look forward to a more functional 2021

Vincent Fry

Convenor: National Working Trials Sub Committee.
