Rottweiler Breed Council of K.U.S.A

CHAIRMANS REPORT

1st October 2021

I am encouraged to see our sport slowly beginning the process of recovering from the devastating effects of Covid 19. We have lost family members, friends and colleagues to this destructive virus and take time to reflect on the contribution they made to our sport and lives.

This council has spent a considerable amount of effort preparing proposals and reinforcing the structures that support our breed. We would like to thank FEDCO for its ongoing support, we are convinced that the work done so far and continue to do will continue to reinforce the foundations of our breed.

Since our last meeting some of our clubs have hosted events with great success. Especially the WPRC for hosting a top class National Sieger Show with great success. The club as well as the RBC took time to recognise the significant contribution made by Mr Chris Pretorius as he officially retires from club duties. I would like to wish the RWBA all the best for the upcoming National Sieger show and trust the event will be a great success.

To conclude, the council remains committed to its mandate and will continue to pursue the development of the Rottweiler within the KUSA jurisdiction through the support and input from affiliated clubs and their dedicated membership bases.

Neil Perkins
RBC Chairman
